

Your Legacy Matters: Make a Lasting Impact with an Estate Gift

October is Estate Planning Awareness Month, a perfect time to consider how you can leave a lasting legacy. By including Williamsburg Landing in your estate plans, you help the programs and services you care about—like our Library, Employee Education, Landscaping, or Adult Day—continue to thrive for years to come.

Estate gifts can be as simple as adding a bequest in your will, naming Williamsburg Landing as a beneficiary of a savings or retirement account, or establishing a charitable gift annuity. These options offer unique benefits, such as tax savings and, in some cases, lifetime income, while ensuring the future of the place you call home.

We are grateful to the many generous supporters who have already chosen to remember Williamsburg Landing in their future plans this year. They join a wonderful community of donors who are honoring our founders and investing in our future. Please join them in ensuring that this remains a vibrant community for generations to come.

We would be honored to discuss the legacy that is most meaningful to you. Contact **Sally Wolfe** at **757-253-9677** or visit www.williamsburglanding.org to learn more.
